**Purpose**

The purpose of this policy and its associated procedures and protocols is to clarify expectations so that we can operate as effectively as possible in meeting the aims of the school.

**Christ Church Primary School - Mission Statement and Aims**

- **Mission Statement:** *‘Aspire, celebrate and learn within an inclusive community’*
- In support of our commitment to fulfil these aims, through our policies we endeavour to clarify our expectations of key stakeholders, namely:
  - what it is that Christ Church Primary School expects of parents;
  - what it is that Christ Church Primary School expects of children; and
  - what parents and children can expect of Christ Church Primary School.
- We ask that all new parent/carers to our school and their children sign the Home School Agreement to signify that they understand and will support our policies, both in spirit and in practice.
- The Head Teacher will also sign the agreement on behalf of the staff of Christ Church CE (VC) Primary School. This is in line with Sections 110 & 111 of the *School Standards and Framework Act (1988)*, a copy of which can be viewed on the DfE website <http://www.legislation.gov.uk/ukpga/1998/31/contents>
- We would also ask all parents/carers to carefully read through the Home School Agreement handbook and to contact the school if they have any questions as to its contents.
- Parents/carers and children (where applicable) are also asked to carefully read, complete and sign the ‘Consent Form’ relevant to their child’s key stage.
- Parents/carers are advised that it is their responsibility to update the school with any necessary changes regarding all the contents of the handbook.
