

"it's amazing how we can enhance the learning through the support of FOCCS"

Please take a moment to look at the cake day rota for 2016/17 and put your cake day in your diary now!

If you haven't helped out before, why not give it a go this year? You don't need any particular skills; it's not difficult and can be fun if there are a lot of you.

Also, don't forget to donate some cakes (no nuts); shop-bought or homemade (with a list of ingredients).

The money raised at your cake day will go directly to your class teachers so it is directly benefiting your children. We will provide your Class Contacts with a statement every so often showing you how much you have raised and how much has been spent. Any money left over at the end of the year moves on up with the year group.
