Christmas Fayre: 02.12.17
5GT Collective Worship: 08.12.17
End of Term: 20.12.17
PE Days will be Tuesday & Friday.

Home Learning:

Thank you so much for the amazing effort that has been put into homework so far this school year! Once again, homework will be given out on a Tuesday and due in on the following **Monday**.

Please remember to bring in your Learning Log and Spelling Log for checking (and testing if you're ready!) every **Monday**.

Cake Day:

Last term, we enjoyed a fantastic Mayan Feast provided using money from our Cake Day.

We hope to raise lots more money this term so that we can enjoy more exciting experiences in the future – please support our Year 5 cake day by providing or buying cake on Friday 17th November 2017.

Dear Year 5,

We are incredibly excited to be launching our new topic this week – it's going to be out of this world! This term's topic will be driven by Science and Computing, as we investigate some of the forces on our planet and explore our solar system. We will also be creating stop animations and editing videos based on our own alien creatures too!

In English, we will be linking to our topic by discovering and writing some Science Fiction, using awesome vocabulary whilst writing space poetry and delving into biographies by looking at some of the great astronauts of history!

You may want to do some extra times table practice this term, as we will be developing our multiplication and division skills, as well as focusing on fractions, calculating the area of shapes and time.

Vincent Van Gogh and his Starry Night will be our inspiration this term in Art, as we become art critics as well as artists ourselves!

Finally, in the run-up to Christmas (hooray!), our RE this term will explore ideas around the Christmas story and Christians' beliefs about Jesus.

We can't wait to blast-off with this exciting new topic!

Miss Thomas & Miss Howick
