

Cake Day Rota 2016/17

Please take a moment to look at the cake day rota. ***Put your year's cake day in your diary now!*** If you haven't helped out before, why not give it a go next year? You don't need any particular skills; it's not difficult and can be fun if there are a lot of you. Also, don't forget to donate some cakes (no nuts); shop-bought or homemade (with a list of ingredients), it doesn't matter; every little counts, and it will directly benefit **your** children.
