ACCESSIBILITY PLAN 2017-2018

The school's Accessibility Plan needs to be read and understood in conjunction with the following policies and documents:

- Special Educational Needs and Disability (SEND) Information Report/Policy
- Health & Safety Policy
- Equality Act 2010
- School's Access Audit

Christ Church CE (VC) Primary School is committed to providing an environment that enables full curriculum access to all pupils and that values and includes all pupils, staff, parents and visitors. We are committed to taking positive action in the spirit of the Equality Act 2010 with regard to disability and to developing a culture of inclusion, support and awareness within the school.

Our Accessibility Plan shows how access is to be improved for disabled pupils, staff and visitors to the school and anticipating the need to make reasonable adjustments to accommodate their needs where practicable

The Accessibility Plan for physical accessibility relates to the school's Access Audit. It may not be feasible to undertake all works during the lifetime of this plan and therefore some items may be rolled forward into subsequent plans. An accessibility audit will be completed by the school prior to the end of each period covered in this plan in order to inform the development of the new Accessibility Plan for the ongoing period.

The Accessibility Plan will be published on the school website with hard copies also available on request from the school office.
