

Scam E-mails to Free School Meal Parents

01/04/2020

The Department for Education have made us aware that some parents have been receiving hoax e-mails. The e-mails request parents of Free School Meal pupils to submit their bank details in order to receive payment of their FSM entitlement.

Please see the DfE's communication below and if possible, make your parents aware of the scam.

Be aware of scam emails

We have been informed that some parents have received an email stating the following:

'As schools will be closing, if you're entitled to free school meals, please send your bank details and we'll make sure you're supported.'

We can confirm that this is a scam email and is not official.

We urge parents that if you receive any emails like this, please do not respond, and delete it immediately.
