

French

Christ Church has subscribed to a website www.growstorygrow.com that provides stories and activities in a variety of different languages including French. Importantly these have sound as well as written text and I hope that you and your child(ren) will have some fun with them. It would be great if you could all have a look at the suggested stories, but please feel free to have a look at other stories if you have time.

You will need these details to log in:

Username:gsg648

Password:sain648

Choose language:French

Translate into:English

Click on 'Search for stories'.

Make sure you have your sound switched on.

Select 39 Spider Family (5) to say how old you are. This is revision of language we have covered in class. On the bottom left hand corner, you can select a level. Choose level 3. You can also switch the picture, French text and English text on and off. I suggest you keep the picture on all the time, and repeat back the French just with the sound first. Then show the French text and repeat again. Finally have a go at saying what the French means in English before revealing this on screen to see if you are right. Next select story 36 Spider Family (2) To introduce your family. This is revision of family words and the different words for 'my'. Follow the same instructions as for the first story.

Select 56 What do you like? To say what you like eating. On the bottom left hand corner, you can select a level. Choose level 2. You can also switch the picture, French text and English text on and off. I suggest you keep the picture on all the time, and repeat back the French just with the sound first. Then show the French text and repeat again. Finally have a go at saying what the French means in English before revealing this on screen to see if you are right.

Have fun!

Mrs Baker
