

Year 1 - FRENCH

Hi Year 1!

Christ Church School has subscribed to a website www.growstorygrow.com that provides stories and activities in different languages including French. Importantly these have sound as well as written text and I hope that you and your child(ren) will have some fun with them. It would be great if you could all have a look at the suggested stories, but please feel free to have a look at other stories if you have time.

You will need to log in:

Username:gsg648

Password:sain648

Choose language: French

Translate into: English

Click on 'Search for stories'

Make sure you have your sound switched on.

Week 4

Select story 35 Spider Family (1). This is revision of language we have used in class. On the bottom left hand corner, you can select a level. Choose level 3. You can also switch the picture, French text and English text on and off. I suggest you keep the picture on all the time, and repeat back the French just with the sound first. Then show the French text and repeat again. Finally have a go at saying what the French means in English before revealing this on screen to see if you are right.

Have fun!

Mrs Baker
