

Hello Year 6! What an amazing journey you have all been on, not just over the last few months but also during your time at Christ Church! I hope you have many happy memories to take with you! We have now reached your last few days and below are a few activities to help you reflect and celebrate your time at primary school. I look forward to seeing your portfolio posts on Class Dojo and hope that you have a wonderful summer and a fantastic time at secondary school! It has been a joy to teach you over this past year. Make sure you keep staying safe and wishing you all the best for your futures,

Have a lovely week and stay safe,

Mrs Davies

Monday activities:

Message in a bottle:

Lots of the Year 5s will be very nervous about coming up to Year 6. Write a message in a bottle to reassure them and make them feel excited about joining Year 6! Maybe there was a particular topic you really enjoyed? Perhaps you liked a particular subject? You can write in a bottle shape- make sure it is presented very nicely!

ELLI Mural!

One of the things that makes our school so special is our ELLI dimensions. To celebrate this uniqueness, can you come up with a design for a mural that could commemorate all our lovely ELLI dimensions and animals?

Board game bonanza!

Can you invent a board game with the theme of primary school? Possibly with the theme of school? A personal favourite is Snakes and Ladders. What could your board game look like? What characters or counters would you have? What are the rules? Make it out of whatever you like and then send a picture or video to Dojo explaining your brand new game!

Year 6 Leavers' Quiz:

I have created a quiz for you to have a go at. It is 3 rounds and shouldn't take you too long but it will challenge you!

Tuesday activities:

Enjoy your Leavers' Service!
