

The Week Ahead

Term 2 Week 6

Dear All,

Thank you for the generous raffle donations for FOCCS, it was lovely to see the children in their own clothes today. Winter has certainly arrived at Christ Church this week and we have enjoyed some frosty mornings and glorious sunrises, as shown in this photo taken by Mrs Robinson.

We hope you have enjoyed opening the advent calendar this week, we can't wait to see who is behind each door! Today, we are sending home a questionnaire with our week ahead. Since starting at Christ Church, I have had the opportunity to listen to the views of staff and children and they have told me what they love about Christ Church, as well as what they wish for the future. I would welcome your feedback too, in order to help in our efforts to build on the strengths of Christ Church and further improve the education and experience for your children. Please just click on the links below.

Enjoy your weekend!

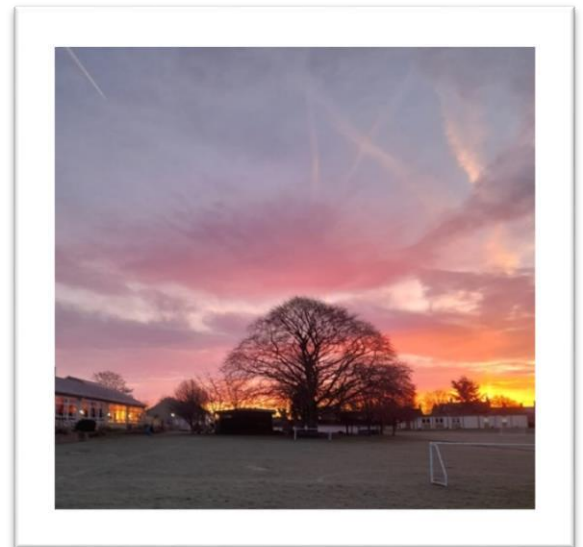

R. Brotherton

Best Wishes,

From Miss Brotherton

Feedback is a gift.

Winter has arrived at Christ
church**

Tuesday 7th December

Christmas Tree Festival

This year's Christmas Tree Festival will take place at Trinity Church from Tuesday 7th to Sunday 12th of December. If you get the chance, please pop along to Trinity Church to admire the many Christmas trees, which have been decorated by different groups, organisations and schools in Bradford-on-Avon. The Christ Church tree will be transported to school at the end of the festival for us all to see. All thanks to Mrs Jones!
