# The Week Ahead Term 3 Week 3

\*\*\*\*\*\*\*\*\*

Dear All,

I hope you have all enjoyed the frosty mornings and sunshine this week. The school grounds have looked stunning and we have enjoyed seeing the silhouettes of the trees, rising out of the mist each day.

Earlier this week, the first FOCCS meeting of the year took place and we were able to thank the committee for the fantastic Winter Wonderland experience that took place last term. This was all thanks to a generous donation from FOCCS and included a visit from Father Christmas and a special gift for each class. With FOCCS, we began to discuss future events and encourage you all to look out for a call for volunteers in 2022, and get involved!

Thank you to everyone who took the time to complete our feedback survey last month. We are currently working through all of your comments and collating the feedback. Your suggestions will help us to consider school life from a parent/carer point of view, and will help us to make Christ Church an even better place.

Enjoy the weather and the weekend.

Best Wishes, From Miss Brotherton

LUNCH MENU: WEEK 3

## Monday 17th January

- FS2 and Year 6 Heights, weights and vision
- Welcome to our traffic enforcement officers, keeping the area around school safe

\*\*\*\*\*\*\*\*\*

#### Wednesday 19th January

Welcome to Revd. Ann Keating and Zoe Yeomans visiting school today

#### Thursday 20th January

• School Census Day (See Sodexo special menu)

# Updated COVID-19 Guidance

# Changes to the self-isolation period for those who test positive for COVID-19

From Monday 17 January, people who are self-isolating with COVID-19 will have the option to reduce their isolation period after 5 full days if they test negative with a lateral flow device (LFD) test on both day 5 and day 6 and they do not have a temperature. For example, if they test negative on the morning of day 5 and the morning of day 6, they can return to their education or childcare setting immediately on day 6.

The first test must be taken no earlier than day 5 of the self-isolation period, and the second must be taken the following day. All test results should be <u>reported to NHS</u> <u>Test and Trace</u>.

If the result of either of their tests is positive, they should continue to self-isolate until they get negative results from two LFD tests on consecutive days or until they have completed 10 full days of self-isolation, whichever is earliest.

Anyone who is unable to take LFD tests or anyone who continues to have a temperature will need to complete the full 10 day period of self-isolation.

Further information on self-isolation for those with COVID-19 is available.
