

Creative Curriculum

This topic builds upon the knowledge of traditional tales in Year 1. However, these tales have a slight twist to them! Our topic launch tells us something very strange has happened to Mrs Jones in the School Office and the Team Two Detectives need to look through the evidence. But who carried out the crime?! Was it Goldilocks? Little Red Riding Hood? Or the Big, Bad Wolf? Let's hope we find out!

Maths

In Maths, we will be focusing on division, adding and subtraction two 2-digit number and fractions. Throughout the term we will also develop our ability to recall multiplication and division facts for the 2x, 5x and 10x tables.

TT Rock Stars

Please keep learning your tables using the TT Rock Stars website. Little and often works best!

English

After solving the topic launch mystery, year 2 will write newspaper reports about the school office crime. By the end of the term, we will have also written a character description, instructions for how to catch the criminal and our very own twisted tales.

Throughout this writing we will be focusing on the four sentence types; exclamation, command, statement and question. We will consolidate coordinating and subordinating conjunctions as well as learning contractions. In order to ensure that our writing is brilliant, we will continue to edit our work using our 'editing friends'.

In our whole class reading sessions, we will be reading a variety of traditional and twisted tales. Whilst reading these books, we will be continuing to develop our inference, sequencing and comparison skills

**Year 2
Term 4**

Routines

Tues- Spelling tests

Thurs/Fri- PE days (come to school dressed in PE kit)

Please have your reading folders in school everyday.

In other subjects we will be looking at...

Science – We will focus on scientific skills and carrying out experiments. We will make predictions, ask questions, record results and make conclusions.

Design and Technology – We will learn about healthy eating and nutrition before making our very own wraps.

Art – We will be 3d modelling and creating sculptures.

Computing – We will tell a traditional story using Puppet Pals.

PE- We will be telling a story through dance and learning basketball skills with Mr Keily.

RE – God and Christianity taught by Mrs Humble

Dates for your diary

Friday 4th March – World Book Day. Remember to dress up as your favourite book character!
