Term 6 Week 2

Dear All,

I am pleased to announce that from the beginning of Term 6, Mrs Alice Davies (Year 6 teacher and KS2 Phase Leader) and Mrs Stacey Farrell (Year 2 teacher and KS1 Phase Leader) have both been appointed as Assistant Headteachers on a temporary basis until January 2023. This is to support the Senior Management Structure of the school whilst we recruit a new headteacher.

Today, Zoolab came to visit Foundation and we have had some interesting visitors as you can see from the photographs.

We also had the first cake day in a very long time, organised by Year 3 parents. It was lovely to see this event happening again and it raised an amazing £130! Thank you to Bex Richer (FOCCS Cake Day co-ordinator) and all the parents who supplied the cakes or came in to help with the sale. Your support is greatly appreciated.

This weekend members of staff will be running a stall at the Bradford on Avon Food & Drink Festival. They will be running a toy tombola and pick a lolly and all funds raised will go to FOCCS to support the school. If you are able to pop along and say hello they would love to see you.

Have a lovely weekend,

Best Wishes, From Mrs Rutt

Lunch Menu: Week 2

Cake Day: Year 4

Monday 13th June

 Welcome to Jo Harris, Librarian, who will talk to everyone about the Summer Reading Challenge at Bradford on Avon Library

Eco Council's tip of the Week!

Remember to turn off the lights when you a room.

The summer is here and Sports Day approaches again. At Christ Church Primary School we take pride in our Sports Day, prioritising enjoyment and sense of team focus.

Please be reminded that Sports Day is on **Friday 24th June**. Parents and carers are invited at **1pm** to come and watch their child take part. We ask that parents follow the signs directing them on arrival to the information desks where they will be shown how to find their child. Arriving significantly later than 1pm may make finding your child and the event they are undertaking problematic. After the presentation of the sports day cup and individual awards, children will be dismissed by their class teacher at the usual place and time. The reserve date for a wet weather plan is Friday 1st July. If the day is particularly hot please provide your child with a sun hat, plenty of water and an application of sun cream before they come to school.

Viewing will take place around the track in order to give children the space to compete. We look forward to seeing you all at Sports Day and hope that the sun will shine!

Individual Award Scheme

We appreciate that many children and parents desire a greater sense of competition and for the last few years we have run an individual award scheme to add a higher level of competition to those who desire it. Children who wish to enter the individual award scheme are required to do an additional sprint prior to sports day to complete their data entry for comparison. They will then be put into appropriate groups to compete with others of a similar time within their year group. The 1st place boy and girl in each year (if weather allows all results to be collected as planned) will be presented with a certificate at the end of Sports Day in front of the whole school community.

This year we are allowing parents and carers to come and watch the races but would like you to appreciate that these races are only a preliminary event and short lived. Your child will have decided if they'd like to participate before the day in advance.

Races

These times/dates might have to change due to weather.

Year	Date	Start Time
Year 3, 4, 5 & 6	Mon 20 th June	9.25 start
Year F, 1 & 2	Mon 20th June	10.55 start

If the above days are wet weather days, we will not be able to advise you of when the races will take place, as this will be flexible dependent upon weather conditions.

We understand that parents may wish to take photos of their children during sports day. We ask parents to ensure that if they are taking photos on sports day, they take photos of only their own child and that they do not post their photos on any social media sites.

Many thanks,

Mark Birleson
