

The Week Ahead

Term 6 Week 4

Dear All,

What a fantastic day we have had for Sports Day! The children were so enthusiastic and excited and it was lovely to see so many family members coming to join us this afternoon to support them.

Congratulations to Gryphon house who won the entire event and well done to everyone who took part. Thank you to Mr Birleson who organised the day and to all the staff who made the day so special.

We have this week announced that in September the Foundation classrooms will be moving to the front of the school where the current Year 1 classrooms are. Year 1 will then move to the current Foundation rooms.

We have parent consultations next week so if you would like to come along then please do book your slot on Parentmail. We look forward to seeing you there.

Best Wishes,
From Mrs Rutt

LUNCH MENU: WEEK 1

CAKE DAY: YEAR FS

Tuesday 28th June

- Parent Consultations 4.00 – 7.00pm (book your slot on Parentmail)

Wednesday 29th June

- Year 5 Curriculum Day at St Laurence School

- Parent Consultations 4.00 – 7.00pm (book your slot on Parentmail)

Friday 1 July

- We welcome Rev. Ann Keating and Zoe Yeomans to carry out a workshop with Year 6

Save the date...

Presentation by the School Nursing team – Tuesday 5 July Berryfield Hall (KS1)

Wiltshire School Nursing recognise that at times it can be difficult for parents to know how best to support a child that experiences anxiety, our presentation is designed to give parents a better understanding of their child's behaviour and give some strategies that may be helpful to them.

School Garden Project

The school garden is proving to be very popular with the children who are working on their own beds with their teacher (notably year 1 who have tomatoes, radishes and lettuces looking fabulous) and also in the lunchtime Kitchen Garden Club run by Mr Birleson and Lizzie Munday weekly. The children have tended the plots so well that they are thriving but there is a large area still to reclaim from nature and this is a job for the adults.

Lizzie is looking for volunteers to help reclaim the bug hunting area behind the garden and the overgrown (but laden) fruit bushes this Saturday 1-4pm. Come and see what the children have achieved so far with a little help and give them a hand with the rest. Also, if you are thinking of growing your own and are looking for some pointers or troubleshooting tips, please do come along and Lizzie and the other keen growers who have historically turned up to help will be delighted to share what they know. Cultivating a community of growers is what the garden is all about!

Quiz Night

Berryfield Hall, Christ Church School

Friday 8th July
7.30pm

Teams of 4-6 people, £5 per person
Tickets available at:

www.foccs.org/foccs-events

+18 only
