

Together

Our inclusive curriculum aims to:

- Strengthen and embody the belief that everyone and anyone has the **right and potential to succeed**;
- Deliver the promise of **high aspirations, equal access and opportunity for all**;
- Build a **community** that we can all be proud to be a part of.

Learn

Our carefully sequenced, balanced, interconnected curriculum aims to:

- Support children to accumulate the **knowledge and skills** required to become successful and confident across the range of subjects taught;
- Identify, teach in depth, and develop fluent recall of the **core concepts** within each subject that will enable children to progress confidently to the next stage of their education;
- Foster **learning behaviours** that develop children as resilient, independent, reflective and curious lifelong learners;
- Equip children with the **vocabulary and language skills** to be articulate and to effectively express their thoughts, ideas and opinions about what they learn, through written and spoken language;
- Recognise that our children are digital citizens, and equip them with the skills, experiences and attitudes that enable them to **use technology to enrich their lives**.

Grow

Our holistic, child-centred curriculum aims to:

- Cultivate **kind, responsible, socially aware and fully-rounded** members of a local, national and global community;
- Provide opportunities for children to nurture and develop their **physical and mental wellbeing**, recognising the demands of modern life and the need for children to develop as resilient and adaptive individuals;
- Explore and celebrate **cultural and spiritual differences** in an ever-changing world;
- Recognise and respond to our children's passion and concern for the **environment and sustainability**.

Flourish

Our exciting, memorable curriculum aims to:

- Make the most of our beautiful grounds to provide opportunities for **outdoor play, exploration and learning**;
- Strengthen **children's connection to their local area**, and the abundance of physical, geographical, historical and cultural links it provides;
- Forge a wealth of **enriching and fulfilling experiences** that enhance learning and make every day exciting;
- Make their time at Christ Church something that is experienced and looked back on with **pride and joy**.
