

Winter Wonderland | Sunday 11th December, 3-7pm

Come and see Father Christmas in his Grotto and experience our very own Winter Wonderland (think Stourhead at Christ Church).

Evie's Mac n Cheese will be there selling their legendary mac & cheese and hot dogs (veggie options available) and the FOCCS café will offer hot and cold drinks along with RR Brownies for a sweet treat.

Tickets will be £5 per child and include a guided tour through the grounds (with some special Elf helpers), a group visit to the grotto to hear a story read by Father Christmas and a gift. Ticket sales will be announced on Classlist.

This event can't go ahead without volunteers so please take a look at the sign-up sheet and do what you can. We particularly need help still around the grotto (you don't have to dress as an elf) and in the cafe. <https://volunteersignup.org/8EPP4>

We are also in need of outdoor inflatable decorations, preferably battery operated, if anyone has anything like that please let us know!

Class Contacts

Class Contacts are a real lynch pin in the school community, sharing info between the committee and other parents, sending out reminders for cake day and supporting events.

Since COVID we haven't used them nearly enough and would like to get at least one class contact for every class again. You don't need to be at the school gates on a regular basis, so much can be done via a post update or message.

Below is a list of classes without any class contacts

☹ Hedgehogs, Otters, Owls, Rabbits, 3CSLM, 3MB, 4GA, 6JD

If you would like to be a class contact or you are and we don't know about you please email committee@foccs.org.uk, message us on Classlist or find Christina, Rachel, Nicola or Ros on the playground.

This a big shout out for help but it's nothing time consuming!!

Please sign up to Classlist, it really is the best way for the FOCCS committee to communicate with you as the FOCCS members.

We all give up our time willingly and happily but we want to make the best use of that time as we are all busy parents too, and Classlist allows us to do that. If parents sign up to Classlist it also saves us money and the planet by not printing hundreds of copies of this newsletter.

It's where you will find announcements about tickets sales going live for the grotto and school disco, these sell out fast and you want to be the first to know! You can choose how you receive your notifications but having the app and receiving immediate updates means you'll never miss a deadline or important update again. It's also your way of interacting with every other parent in the school. You can send party invites and sell pre-loved stuff!

Don't forget you can also go to our website foccs.org.uk where you'll find all of our event dates, what we do and how we spend money, how to sign up to EasyFundraising and useful info, like the Stikins label code.

So, do it now before you forget, grab your phone and get started with the QR code on the next page! There's loads of useful info in the help section to get you started...

It causes real problems for teachers trying to safely hand children over to parents when there are people heading into the hall from the playground side.

May Fayre 2023

I know, I know, I know we haven't even done Christmas yet but the planning for the May Fayre starts in January!

Next year we need a new team of people to get involved. There is loads of experience around to guide anyone interested, and lots of people ready to step up to specific tasks but we need that amazing sub-committee who can pull it all together.

So find out more and get in touch at: committee@foccs.org.uk
