

Lego Church!

Dear Friends,

Coming soon (on Sunday 11th February) is another Zoe special! Last time she organised a Lego Church, the hall at Winsley was packed with children enjoying building all sorts of things. They were accompanied by grown ups, who probably had lots of fun too. Building with Lego bricks gives us an opportunity to be playful and let our imagination go wild.

I wonder how many of you got to the fabulous exhibition last year at the American Museum at Claverton? *Brick America: An Adventure in LEGO Bricks* had some amazing models, including the Statue of Liberty, a street scene in San Francisco, an Apollo space rocket, the Mayflower, and lots more. Each one had been made with thousands of pieces and hours of painstaking work. There was also an area where you could join in and make something yourself, and even a Lego graffiti wall.

The Lego church set me thinking about the kind of model our church might look like. One with toilets and kitchen? An area with easy chairs? Pews? A sanctuary? Definitely one with a bell tower!! ...Or would it be a building at all?

For many of us our picture of church was set up largely by the Victorians and before. This mostly meant that each community had a church building with its own vicar, who took responsibility for most aspects of the ministry needed in a particular place. The church was the hub and centre of parish ministry.

Yet this model was very different to the glimpses of the first churches set up in New Testament times. These speak of people gathering in someone's home. St Paul talks of the church not so much as a place but as a living body of people each with their own special role and contribution.

So what might our Lego church look like for a church of our day? As we look forward to Katie's arrival next month, and a new chapter in the life of our Benefice, it's exciting to see what emerges. I echo Tessa's hope in the last NewsLink that we give Katie "the freedom to be herself and exercise a life giving ministry in a sustainable way".

Happy Lego building!

Tim

REVEREND KATIE JACKSON - LICENSING SERVICE

As is well known, Revd Katie Jackson will formally become our new Rector at her licensing service to be conducted by the Bishop of Ramsbury at **Christ Church at 7PM on Monday 26th February**. The service will be followed by celebration cake and a simple choice of alcoholic and soft drinks.

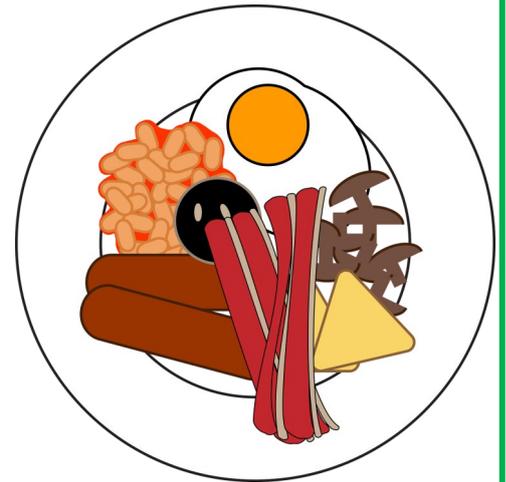

All members of our Benefice congregations are automatically invited to the service and we will not be sending personal invitations to anyone that is a church-goer. However, we need to keep an eye on numbers and for this reason we ask that if you wish to attend, then please sign up on the sheets displayed in each of the four churches. **Please sign up as soon as possible, and no later than on Sunday 18th February.**

Parking in the vicinity of Christ Church is likely to be challenging so please car-share wherever possible and park in nearby streets. Please do not attempt to park in the Mount Pleasant Centre which is not church property and which has its own events on that evening. **Cedric Pierce, Sec. to St Nicholas Church PCC.**

Advance Notice: Breakfast at South Wraxall

We invite you to join us at our Village Breakfast on **Sunday 18th February, from 9:00am onwards**. As usual, we will be serving Full English Breakfast accompanied by toast and homemade marmalade and a variety of drinks. All profits go towards the upkeep of St James' Church.

Jean Atkin, Sec. to St James' Church PCC.

Just to say a huge thank you for making all the stars for Christmas 2023! You are all stars and it is much appreciated! All the stars were appreciated too and almost all of them have gone to new homes with the children in the Benefice. They have been well received so thank you for your time and efforts.

One idea for Christmas 2024 is doves, and I will pass on a pattern when I receive it if anyone would like to have a go at that and feed back your thoughts.
